ROSÉ

Intorducing Château Les Mesclances

One of the oldest family-owned wineries on Provence, the Villenuve family have been managing the winery since the 16th century! They are focused on producing single vineyard organic wines including the award winning Saint Honorat rosé. We are also delighted to list their signature rosé the Romane, with all the elegance you’d expect from a top class Provençal rosé as well as their Charmes rosé which is light and savoury – the perfect lunchtime wine.
